POLICY STATEMENT SIGNED BY OWNERS; COPY ATTACHED

STATEMENT REGARDING
PROVISION OF CITY SERVICES TO NEWLY ANNEXED LANDS

City services will be provided to all newly annexed lands according to the same policies that already govern in Huntsville. This means that Huntsville police and fire departments will respond to calls; garbage and trash will be collected by city sanitation; and school children will attend city rather than county schools. Transportation for students attending the city schools will be the responsibility of their parents. All applicable city ordinances will be enforced including the implementation of zoning regulations.

Water service is provided by Huntsville Utilities; however if the annexed land is already served by another water authority, the existing situation should be expected to continue until such time as development pressure or legal agreements between water authorities makes it feasible or possible for Huntsville Utilities to assume control of the water lines or extend new mains. The cost of main extensions usually are borne by the property owner.

Likewise, it has long been city policy to expand sanitary sewer service on a cost benefit basis. This policy applies to all land within the city regardless of its annexation date. In addition, the city has adopted a capital improvement plan to guide investment in infrastructure. In order for an area to be considered for road construction, drainage improvements, recreational or community facilities, new fire stations, or sanitary sewer extension, the area must be in the city and then must be prioritized according to need. Newly annexed land will be accorded the same consideration as other city lands.

Lastly, it is important to understand that those autonomous boards, agencies and utilities that have authority over the delivery of specific public services set their own policies and procedures.

* * * *

I have read the above statement governing the delivery of city services to lands annexed into the city of Huntsville, and I agree to these conditions as they may pertain to any of my lands that are annexed.
